

ChanceCard

You got **500.000 EUR** of extra funding.
What are you going to spend the money for?

ChanceCard

Half of your project money has been
reallocated by your donor.
You need to cut costs.
Where will you save the money?

ChanceCard

A big media development organization wants to do something on disinformation in your country/region as well.

How will you include them in the fight against disinformation?

ChanceCard

Government has **become skeptical** of what you are doing in their country.

What do you do to mitigate the risk of being thrown out of the country?

ChanceCard

The detect and alert team member has said they want to **terminate the cooperation** half way through the project.

*Which other type of detect and alert person would be able to jump in?
See the tip card for details.*

ChanceCard

The create and design team member has said they want to **terminate the cooperation** half way through the project.

*Which other type of create and design person would be able to jump in?
See the tip card for details.*

ChanceCard

The educate and advocate team member has said they want to **terminate the cooperation** half way through the project.

*Which other type of educate and advocate person would be able to jump in?
See the tip card for details.*

ChanceCard

The government has passed a **new law against foreign influence**; all NGOs and state-funded organizations must register. Employees run the risk of being categorized as foreign agents.

How do you react to this new situation?

ChanceCard

The audit found out that 10 percent of your project funds **have been misappropriated**.
How can you deal with this and compensate the missing funds?

ChanceCard

You have the chance to receive additional cash of **500,000 EUR** if you manage to integrate an additional AI component into your project.
What is your proposal?

ChanceCard

The ministry from which you receive your money wants women and girls to be given more attention in your project as part of a feminist development policy. If you succeed, you will receive an extra **EUR 100,000**.

ChanceCard

A **new anti-defamation law** has been passed, making it illegal to criticize members of the government in the media or online. Fact-checking of government statements is no longer possible.

What do you do?

ChanceCard

Due to the geopolitical situation strong anti-democratic, anti-European sentiments have emerged. On several social media channels your project team is blamed as biased and DW Akademie accused of being a European propaganda actor. *How do you react*

ChanceCard

Government has decided to make combatting disinformation a priority.
What kind of advocacy strategy could you devise to use this window of opportunity for your mission?
